

## GENERALI STUDIUM HEALTH INSURANCE FOR FOREIGN STUDENTS

### Who can get it?

If you are a foreign student at the University of Szeged, you are eligible to get Generali Studium health insurance at the Students' Service Office.

For Stipendium Hungaricum scholarship students, the health insurance is included in the scholarship.

For self-financed students, the health insurance may be included in the tuition fee.

If you are not sure whether or not the health insurance is included in your tuition fee/scholarship, please contact your Faculty Administration Office (or the Foreign Student Secretariat, if you are a medical student).

### How to get it?

**The price of the insurance is 41.160 HUF/semester.**

The insurance is valid for the duration of the semester and the price is fixed. This means that you have to pay the full price even if you only get the insurance in the middle of the semester.

The insurance periods are six-month periods, starting on 1 September of each calendar year and ending on 28 February of the following calendar year, or 1 February to 30 September.

**You can get Generali Studium health insurance at the Students' Service Office** or please email us at [hszi@hszi.u-szeged.hu](mailto:hszi@hszi.u-szeged.hu) (please attach to the email your valid passport, national ID or residence permit).

It is important that in order to activate your health insurance, your **student status** needs to be **active** and your **financial status** needs to be **in order**. This means that we cannot activate your insurance before your Faculty Administration Office/Foreign Student Secretariat finalizes your financial status in the system that we use to manage student insurances. This may take some time at the beginning of the semester, so you might not be able to get your insurance on your first day.

If you have to pay for the insurance (if it is not included in your tuition fee/scholarship), we will generate a payment obligation which will show up in your **Neptun** account under **Finances/Payments**. You will be able to pay in **Neptun** via a simple online card transaction. When the payment is completed, the status of the payment obligation will change to "*fulfilled*" in **Neptun**, so you will be able to see if your payment was successful. Once your payment is completed, we will be able to validate your insurance.

### For current students

If you are **not** a new student and your Generali Insurance is still valid, you will **not** need to repeat the paperwork and you will be able to keep using your existing insurance card.

If you are a Stipendium Hungaricum scholarship student or your tuition fee includes your insurance, the IT department will automatically renew your insurance for the new semester, assuming your student status is active and all your financial and personal data are correct and up to date.

At the beginning of the semester, there is a grace period, during which you can renew your insurance without paperwork even if your insurance is not covered by your scholarship or tuition fee. In the fall semester, you will be able to renew your insurance until **October 15** without having to sign a new set of Declarations or getting a new card.

## If you are sick and need care

In case of an emergency or between 19-07 on weekdays, weekends and public holidays, call the UNI-MED CALL CENTRE, available 0-24 on +36 70 439 2188

Once you have valid insurance, you will be eligible to seek medical treatment at the University's general practitioner. To be able to visit the University's family doctor, you will need to make an appointment in **Modulo** by filling out the form titled "**Generali Studium book an appointment to the family doctor.**"

## More information

For information regarding the terms and conditions of the Generali Studium health insurance, please visit the following website: [www.u-szeged.hu/gz](http://www.u-szeged.hu/gz)
