Respected Heads of Dormitories! Respected Dormitory Students!

In order to prevent the spread of the new coronavirus, subject to the announcement of the Prime Minister on the 9th of November 2020, we order the following measures.

1. All Hungarian citizen students are obliged to fully move out of the university dormitory buildings by the 15th of November 2020 and return home.
2. The University of Szeged further provides dormitory housing for foreign students.
3. If a student is unable to move out by the above deadline or is not able to find accommodation in the absence of dormitory housing (in particular: PhD students, students who are participating in volunteer work, students working in addition/parallel to their studies, students who are at risk or may face endangerment if were to return home, trainees, etc.), kindly submit a request for individual assessment - addressed to the Rector of the University - to the head of the Dormitory.

Issued on the 9th of November 2020, Szeged.

Yours faithfully:
