Information of usage

From the 6th of May 2021 our library is open again according to the 194/2021(IV.26.) government decree.

It should be noted that any new regulation from the government could change the following information regarding our services and we also reserve the right to change them.

Please follow the hygiene and distancing rules strictly:

• at the entrance non-contact body temperature measurement is required
• please take at least 1,5 meter distance from each other at the queue lines
• please use the hand sanitizers around the building
• wear a face mask around the desks and when moving around the building
• leave the seats marked with a red ‘x’ empty in the reading areas and the computer laboratories
• use the self-service lockers for your belongings

LOCALLY USABLE SERVICES

According to the 194/2021 (IV.26.) government decree entering the reading areas and the computer laboratories are only available with a vaccination ID (specified by 60/2021 (II.12.). Vaccination ID cards are only valid together with a personal identity card or passport. Please show your IDs and your library card/student card at the security gate to the member of the university’s security staff on duty. Thank you for your understanding and cooperation.

Visiting the library areas of the building without a vaccination ID is not available, however returning/borrowing books at the circulation desk are available for every library member of ours under certain conditions (outside of the security gates).

REQUESTING AND BORROWING BOOKS

Book requests are available via the online catalogue. Requests have to be initiated from home beforehand. Only borrowable items are available via the catalogue from the reading areas, the stack rooms and the special collections. The estimated time for fulfilling a request is 3 hours. The exact date and time from when the documents are available at the circulation desk is shown in the catalogue when the request is submitted.
The requested documents can be received personally at the circulation desk of the library with a valid library card/student card. Regarding due dates and the rules of borrowing, the library’s general Circulation Policy is relevant. (Documents with statuses ‘Locally usable’ and ‘Loanable by SZTE citizens for the night’ are not available for borrowing.)

RETURNING BOOKS

Patrons may return previously borrowed books personally or via post. Our address: 6722 Hungary, Szeged, Ady tér 10. Overdue fees were on a hold during the lockdown, but previously accumulated fees must be paid. Regarding due dates and the rules of borrowing, the library’s general Circulation Policy is relevant.

REGISTRATION

The first step of the registration for SZTE students is submitting our Membership declaration in the Modulo system and it has to be confirmed personally at the circulation desk to complete the registration procedure but only once during university studies. University staff has to register personally at the Circulation desk on weekdays between 8am and 4 pm. Read the terms and conditions here.
