

Application form for international students

SZTE Báthory István Gyakorló Gimnázium és Általános Iskola
English-Hungarian Bilingual group
2025/2026

Please note that admission for international students is based on individual assessment. Some of the criteria set for Hungarian students are not applicable for international students, such as the centralised admission exam taken in Hungarian. If grades are convertible, they will provide for 50% of the students' score, and the English language portion of the oral interview will provide the remaining 50%. If grades are not admissible, admission will be based solely on the oral interview. If a student is not able to attend the oral exam, they can request to participate in the make-up exam.
