Requirements for the successful completion of the course: The lectures are held in person. The lecture material can be found on Coospace in PDF format. (CooSpace> Surgery scene> Folders > Documents)

Attendance of the small-group practices is compulsory. Proofs of the reason for absences - not later than the week after the absence- are to be presented at the Secretariat of the Department of Surgery (office.surg@med.u-szeged.hu) as stated in the Faculty Code of Study Regulations. Participation in the exercises must be checked by the trainer with a catalogue. If the student has more absences of the practice than it is allowed, they have to make it up by the end of the semester according to the Faculty Code and Regulations.

The examination is based on the lectures and the relevant chapters of the official textbook according to the previously announced topics.

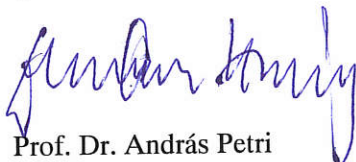

Forms of testing: oral examination

a./ MTO-s: no

b./ Examination at the end of the semester: oral examination

Students are required to sign up for, or postpone examinations through the NEPTUN system.

Szeged, 07. February 2024.
